The committee requested that the company present more details before deciding on offering the class to the community. Hufnagle will reach out to the company and try to schedule a presentation from them for the upcoming Village Board Meeting on May 14th.

**Ordinance Reminder: Chapter 12(C)(3)(i) - Noise Ordinance:** After the discussion surrounding the changes for the noise ordinance were heard last year, the board adopted changes that incorporated a later time (Midnight) for the commercial districts. Residents requested that the board consider implementing the new time on only the weekends. President Jim Jonasen said at that time that the ordinance would be revisited when the season was closer. The committee reviewed the ordinance. A motion was made by Fuller to adopt the ordinance with the incorporated changes to allow for midnight on Friday, Saturday and Holidays, seconded by Johnson.
