

PUBLIC SAFETY COMMITTEE MINUTES

June 2, 2026 - Call to order immediately after Public Works Committee Meeting

Present: Meeting called to order at the Auditorium by Village Clerk Daisha Nolan at 5:17pm. The following answered the roll call: Trustees Clayton Johnson, Michael Gudis, and Jason Springer. Also present: Village Clerk/Administrator Daisha Nolan, Village Treasurer Heather Rutten and Fire Chief Jake Fuller. Village Trustee Jeff Johnson and Village Marshall Mark Jacobson were absent.

Review of Agenda: No changes were made to the agenda.

Minutes: A motion was made by Clayton Johnson to approve the meeting minutes from the open session held on April 28, 2026, as presented, seconded by Springer . MCU

Public Input: No Public Input.

Speed Limit Citation Schedule: Village Marshall Mark Jacobson shared suggested citation amounts. The committee questioned if the verbiage mirrored that of state statutes. Nolan will research this and the item will remain on the agenda for next month for further discussion.

4th of July Preparation - Discussion: Nolan presented a map made in the office to publish as the holiday draws near. The map conveys event start times and locations, parade route, and parking allowances through out the Village. Fire Chief Jake Fuller reviewed the map and requested that a 'Pedestrian Area' be added to the visuals of the map. This area would consist of the corner created by the intersection of Main Street and Lake Ave, keeping Main Street open and Dairy Queen Road closed through to where Waterfront Drive meets the public parking driveway - allowing for traffic to exit and enter the lot onto Waterfront Drive. The map will continue to be reviewed in an effort for accuracy prior to releasing it to the public.

Road closure requests will be gathered from the Fire Department for the Dragin Tail run and the NCA for the Parade, Street Dance and Fireworks.

Parade Route Sign prototypes were mocked up by Nolan and the Public Works department. They will communicate the date and time of the parade route and when parking will not be allowed in such areas. Public works will work on constructing the signs through June to withstand weather and ease installation. Installation date to be determined with suggestion to do so on Friday. Public Works may assist if their schedule permits.

Revised By-Laws for LNFD: A copy of revisions to the current LNFD by-laws was provided to the committee and will be reviewed prior to the next meeting. The Fire Department is scheduled to address them again at the 2nd meeting in June.

SCBA - RFI draft and discussion: Request for information to begin forming a financial plan for replacing SCBAs for the fire department was provided. Chief Fuller will send the requests to appropriate vendors with responses directed to Nolan's email.

Review of Safety Fleet: The fire department is requesting that the old rescue ambulance that is no longer in service be placed for auction and the condition of the 1986 International be inspected and possibly considered for auction as well. Nolan will locate the titles for this equipment.

Correspondence: None

Closed Session: The committee did not go into closed session.

Information from the Chair: The next regular meeting is tentatively scheduled for July 7, 2026 at a time yet to be determined.

ADJOURNMENT: The meeting was adjourned at 5:45pm.

Respectfully submitted,

Daisha Nolan

Daisha Nolan, Village Administrator/Clerk
