

**COME ONE! COME ALL!
COME ONCE! COME OFTEN!**

**Join NLA Chinese Mystery Snail Removal
in the Northwest Bay.**

Help our NW Bay neighbors remove these invasive snails.
They have already removed tens of thousands.
There are millions more.

We need volunteers to:

1. Gather and bag snails.
2. Haul and dispose of snails in the woods.

We will meet at different locations in NW Bay.

You can arrive by boat or car.

Contact Kathie Culhane-Pera kathiecp@yahoo.com with available dates.

Bring:

- Net with small holes, e.g., strainer, swimming pool net, butterfly-fly net
- Buckets to gather snails.
- Bags to haul snails away
- Gloves (as there is a risk of getting Salmonella)
- Swimsuit, towel, hat, sunscreen, snacks, drinks, etc

Also, please remove any you find in the lake, anytime, anywhere.

Together, we take care of the lake.
